Md. Raisul Hasan Rafi

UX/UI Designer

+880 1830 299003 raisulhasanrafi3032@gemail.com

To be able to work for an encouraging and stable company that will assist me in designing, improving, and obtaining the necessary skills in order to become the best designer possible.

About Myself

I'm a UI/UX Designer with 4+ years of experience, as a UI/UX designer skilled in designing web & mobile applications UI design, websites UI design, landing page UI design, online ads, social media post design and e-newsletters. Also I can make clean & fresh wireframe, user-flow & perfect prototypes. I always love working with a technically strong team where I can collaborate to design unique and most trending UI design with a good balance of responsibility. Design is my passion and I love to do it.

Skills

Figma
